TO COMFORTABLE

FREEDOM TO CHOOSE

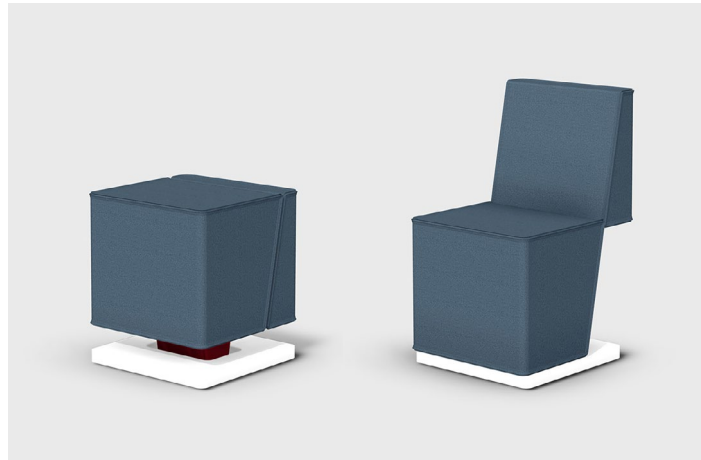

THE CUBA RESPONSIVE SEAT WAS INSPIRED BY THE STOOL AND THE CHAIR, AND THE DESIRE TO HAVE THE BEST ATTRIBUTES FROM BOTH IN ONE SEAT. HOWEVER, IT WASN'T DESIGNED TO REPLACE THEM, SOMETIME A STANDARD PASSIVE CHAIR OR STOOL IS THE BEST OPTION. IN LARGER SETTINGS THE COMBINATION OF ALL 3 PRODUCTS IS THE OPTIMAL SOLUTION.

PASSIVE (STATIC)

STOOL

RESPONSIVE SEAT (STOOL TO CHAIR)

DOWN (AT REST)

UP (IN USE)

PASSIVE (STATIC)

CHAIR

RESPONSIVE SEATING SEAMLESSLY TRANSFORMS FROM A LOW PROFILE STOOL INTO A COMFORTABLE SUPPORTIVE CHAIR. AND ALL YOU HAVE TO DO IS JUST SIT DOWN. NO BUTTONS, NO LEVERS, NO BATTERIES.

FAQ

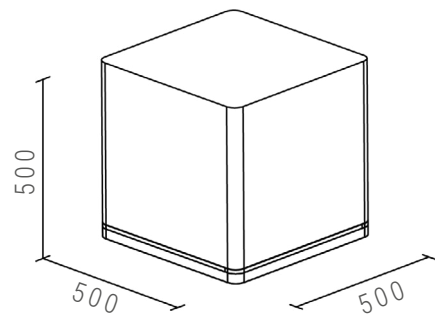

A QUESTION THAT WE ARE OFTEN ASKED IS, "WHAT HAPPENS IF YOU SIT ON A CUBA RESPONSIVE CHAIR BACKWARDS?" THE ANSWER IS - NOTHING, IT JUST STAYS IN STOOL MODE AND YOU FEEL LIGHT PRESSURE OF THE BACKREST PUSHING ON THE BACK OF YOUR LEGS. WE USE IT LIKE THIS IF WE WANT A SLIGHTLY HIGHER SEATING POSITION, AND SITTING FOR A SHORTER PERIOD OF TIME.
